

1. FCC ID and IC ID are laser etched to the device.

FCC ID: ZUE1000I

IC:9804A-1000I

2. HVIN and PMN are in the safety instruction manual.

HVIN: II1

PMN: Vector

PMN: Nova 2

Models 10000-02 (Vector), 10000-05 (Nova2) are identical except for the trade mark (PMN) and the appearance of size. Both products share the same PCB, slightly different in PCBA, but there will be no change in radio parameters occurred.

Sincerely,

A handwritten signature in blue ink that reads "Eyal Bar-Or".
