# 1 Safety

## End-user Agreement

Please read this Agreement carefully before operating, and guarantee that:

1. Do not disassemble this product without authorization;
2. Do not read or refresh the firmware through non-normal channels;
3. Do not perform reverse-engineering or disassembling to any software and codes of this product;
4. This product and the Agreement can be transferred to a third party only when the terms and conditions in this Agreement are accepted.

When you transfer all or any part of this product to a third party, the permission to use this product terminates automatically.

## Instructions for User's Manual:

Before operating, please read the User's Manual carefully. We are not responsible for any direct or indirect losses caused by hardware damage, application damage, file lost or system crash due to improper operation.

It is assumed that you have carefully read and understood the Agreement, and will abide by the terms and conditions.

## Notice:

Dear users, thanks for purchasing this product. Before operating, please read the following notice:

Do not expose this unit to the rain or moist environment to avoid fire or electric shock.

To avoid fire, electric shock or product damage, please keep this unit away from rain, moisture, and water drops or spray.

## Safety Guide

1. Please use dedicated adapter only; do not share with other units.
2. Keep the adapter power cord and plug away from heat sources.
3. Do not place any heavy object on the power cord or plug.
4. Do not disassemble the adapter or power cord.
5. To ensure your safety, do not open the shell; please ask qualified personnel for repair.

## Maintenance Tips

1. The product structure is complicated; please ask qualified personnel for maintenance.
2. Do not remove any parts without permission, or else the warranty will be void.
3. For maintenance, please contact local service center.
4. Replace the component or part with genuine ones only.
