**Federal Communications Commission - Authorization and Evaluation Division /  
Industry Canada – Certification and Engineering Bureau**

Confidentiality Request regarding application for certification of FCC ID: ZWD-WITMR11  
and IC: 9980A-WITMR11

Pursuant to FCC DA 04-1705, this application includes a request for short term  
confidentiality for the following exhibits:

- Internal Photos
- Location Photos
- External Photos
- Test Setup Photos
- User Manual

As the above information contains proprietary information which would be benefit to our  
competitors, we request that these exhibits be held from public view for 180 days from the  
issue date of the grant of approval.

In addition, pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby  
request confidential treatment of information accompanying this application as outlined  
below:

- Operational Description
- Block Diagram
- Schematics
- Antenna Details

The above materials contain trade secrets and proprietary information not customarily  
released to the public. The public disclosure of these materials may be harmful to the  
applicant and provide unjustified benefits to its competitors.

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure of this  
application and all accompanying documentation will not be made before the date of the  
Grant for this application.

Sincerely,

A handwritten signature in cursive script that reads "Paula K. Russell".
