The Business of Science®

Date: 7th October 2012

Ref: X-MET7000 Series

To Whom It May Concern,

This letter is confirmation that the only differences between the X-MET 7000 & 7500 since they were original found compliant against the requirements of FCC & IC for the use as Bluetooth devices is as follows,

The SW for both devices has been changed to also allow the WiFi capability of the pre existing hardware to be used. No other changes have been implemented.

Note:-The hardware in question is the Wi2Wi, W2CBW003, Bluetooth & Wifi module. That we have already carried out Class 2 Permissive changes on in order to use the Bluetooth under the following FCC & IC ID's,

FCC ID is ZYH-W2CBW003

IC ID is 9936A-W2CBW003

We hope this meets with your approval, but should you have any queries, please feel free to contact us.

Yours Faithfully

A handwritten signature in blue ink, appearing to read "Adrian Coyle", with a stylized flourish at the end.
