FCC PCII Certification Request for Mobile Internet Device (FCC ID : ZYQMT7000)

There is no hardware or electrical modification made to the applying transmitter itself,
But because of the needs of production, we added external adapter to test for Original product..
The adapter model: KSAS7R50500150HU Input: 100-240V, 50-60Hz, 0.25A Output: DC 5.0V, 1.5A
We will take the adapter with the production in the sales market.
